Updates on the work in Tanzania

Growth within the Ministry

Academy Update – Construction continues

We are delighted to say that our Academy is taking shape. What was a barren, dry & overgrown 18 acres, is being transformed into the Academy that we have been planning for a number of years.

Our 3 Vocational units are all built to concrete sub floor level and 1 unit is ready for the roof to be put on. Once this unit is finished

Throughout our 6 years as a Mission, we have seen many beneficial changes and tremendous growth, both in the office here in Belfast and on the ground in Tanzania. The amount of children registered onto our sponsorship program has risen to over 1000, the Teachers are seeing better attendance levels at the Schools due to the practical help that kids4school is providing, the projects that we undertake are getting bigger ... and therefore accordingly, the work load within the office is expanding.

As a result of this, we have brought on board a new Full time member of staff into the office. On Monday 18th January we were very excited to welcome **Jonathan** to the kids4school team and we know that he will be a great asset to the Ministry.

Welcome to the team Jonathan

Use your Talents for the Lord

From the beginning in 2009, God has never failed to supply the need for our work, proving the statement by J Hudson Taylor, “God’s work, done in God’s way will never lack God’s supply” to be correct, but we also know that we need to do our bit too.

Kids4school is involved with many projects at the government Schools and also providing practical assistance to many families – helping to ensure better lives for the children in Tanzania.

We have many talented supporters within kids4school - What about using that talent through kids4school for the Lord? It may be through organizing events, volunteering, playing an instrument for a concert, holding a coffee morning or just giving or your time for whatever is needed

If you think you would like to help, in any of these ways, get in touch with the office and have a chat with us (028) 2827 2998

Prayer Dairy

March 2016 – Pray for Jackie who will be in Tanzania for language study before taking on the role of Tanzanian Administrator on the ground in Tanzania for 2 years.

April 2016 – Pray for our Director, Rev Tom Robinson, as he returns from Tanzania and faithfully shares the Ministry of kids4school around the province.

May 2016 – Pray for John & Grace who will be travelling to Tanzania to reprise their roles as short term Missionaries with kids4school. Pray for journeying mercies as they travel, protection as they settle back into Tanzanian life and guidance in all that they do.

Alternative Gifts

Birthdays – Anniversaries – Thank you’s – Teacher gifts – Special occasions

Many of us know the struggle of buying gifts for a friend or family member (especially the males) and having no idea what to actually buy... Why not choose from one of our alternative gifts?

- ❖ A Swahili Bible will allow a child to read God’s word in their native tongue
- ❖ A Mosquito net will keep a child safe at night while they sleep
- ❖ Garden tools will help families cultivate their ground to grow crops
- ❖ Food for the Family will provide a month’s food supplies to a family of 5. This costs only £14.

Continuation from Page 1

Our 3 Vocational Training Units are all built to concrete sub floor level and 1 unit is ready for the roof to be put on. Once this unit is finished, we will start using the classroom straight away for teaching.

Our Primary School is up to concrete floor level and construction will re-commence here when the Vocational unit is complete.

Praise the Lord for his provision

We affirm the following commitment to each and every person that sponsors a child through kids4school:

- We commit to honour Jesus in all that we do
- We commit to directly impact each child's individual development. We've seen over and over again that what happens in the life of a child is much more significant than what happens in the environment that surrounds the child.
- We commit to use money only for the purpose for which it was raised.
- We encourage sponsors to develop meaningful relationships of encouragement with the children they sponsor.
- We commit to encourage children to respond to the gospel, to learn about Jesus and discover a lifelong relationship with God.
- We commit to being financially accountable.
